

Nishant Rajadhyaksha

✉ rajadhyakshanishant@gmail.com | 🌐 <https://nishant42491.github.io/>

Research Interests: Generative Modelling, Geometric Data Processing.

EDUCATION

K.J Somaiya College of Engineering

2020-2024

B. Tech Computer Engineering GPA: 9.51/10 (6th Sem)

PUBLICATIONS/PRE-PRINTS

1. **Dif-GSR: Diffusion-based Graph Super-resolution with Applications - to Connectomics.**

[\[code\]](#)

Nishant Rajadhyaksha, Dr. Islem Rekik.

PRIME-MICCAI 2023

2. **Graph Contrastive Learning for Multi-Omics Data**

[\[code\]](#)[\[paper\]](#)

Nishant Rajadhyaksha, Aarushi Chitkara.

International Journal of Bioinformatics and Biological Sciences, 2023

3. **A Graphical Approach For Brain Haemorrhage Segmentation**

[\[code\]](#)[\[paper\]](#)

Dr. Ninad Mehendale, Pragya Gupta, Nishant Rajadhyaksha, Ansh Dagha, Aditi Paretkar,

Tanmay Mishra, Mihir Hundiwalla, Sakshi Chavan.

Arxiv(Pre-print)

4. **TLA: Twitter Linguistic Analysis**

[\[code\]](#)[\[paper\]](#)

Tushar Sarkar, Nishant Rajadhyaksha

International Journal of Computer Sciences and Engineering, 2021

5. **Modelling Veracity of Football Player Trade Rumours on Twitter Using Naive Bayes – Algorithm**

[\[paper\]](#)

Nishant Rajadhyaksha

2021 International Conference on Artificial Intelligence and Machine Vision (AIMV)

RESEARCH/WORK EXPERIENCE

Visiting Researcher - Richardson Labs, Queens University

June 2023 - Present

Advisor: Dr Kathryn Tryshkin, Dr Neil Renwick

Kingston, Ontario Canada

- Received the MITACS-Globalinks Scholarship to work on a project - relating to cancer genomics and graph neural networks.
- Modelling cancerous RNA molecular target networks as bipartite graphs.
- Identifying the most important RNA molecules by using explanations - produced by GNNExplainer.

Research Intern – Basira Labs

January 2023 – June 2023

Advisor: Dr. Islem Rekik (Imperial College London)

Basira labs, Imperial College London

- Proposed a novel Diffusion-based approach for super-resolving connectomes.
- Beats previous SOTA for brain graph super-resolution.
- Accepted as a PRIME workshop paper at MICCAI 2023
- Will be Published in PRIME 2023 Springer LNCS Proceedings.

Integrating remote sensing with deep learning.

April 2022 – May 2023

Guide: Prof. Mansi Kambli (KJSCE)

KJSCE, Mumbai

- Used Pytorch-Geometric to develop a segmentation algorithm to - segment sugarcane crops in remote sensing data.

NLP/Python Developer - Mettler Toldeo

Guide: Chetan Dhawan (Business Developer-Mettler Toledo)

January 2022 – June 2022

Mettler Toledo, Mumbai

- Used NLP algorithms to finetune Microsoft's LayoutLMv2 to extract - relevant information from invoices.
- Developed different Python programs to automate tasks relating to - database retrievals.

Backend Developer - Aloyt

Guide: Kunal Dixit – (Developer Aloyt)

April 2021 – June 2021

Aloyt, Mumbai

- Worked on creating a robust backend for a website using Django.

HONORS AND AWARDS

- Received the MITACS Globalink award. (2023)
 - Received funding to perform research at a Canadian university.
 - Funding of \$15000 to pursue graduate studies at a recognized - Canadian university.
- Kaggle Notebooks Master (2022)
 - Highest Global Rank: 1805 out of 3,01,064

POSITIONS OF RESPONSIBILITY

- **Head** - DataZen (Data Science Council of Somaiya Vidyavihar University) (2022-2023)
 - Served a student body of around 40,000 students.
 - Conducted various workshops with a research-based theme.
- **Technical Team** - DataZen (2021-2022)
 - Helped with organising the technical aspects of workshops.
 - Handle any technical queries posed by the student body.
- **Technical Team** - CSI (Computer Society of India KJSCE chapter) (2021-2022)
 - Conducted the regional selections for the Smart India Hackathon(SIH).
 - Was responsible for conducting technical workshops.

TECHNICAL SKILLS

Languages	Python, C++, C, Java, HTML/CSS SQL
Tools and Libraries	PyTorch, torch-geometric, OpenCV, Git, LATEX, Django

BLOG

Title: A Gentle Introduction To Graph Spectral Filtering

[\[blog\]](#)

Author: Nishant Rajadhyaksha

Publisher: Medium

EXTRACURRICULAR ACTIVITIES

- Represented KJ. Somaiya College of Engineering's football team for the years 2022 and 2023.
- Participated in Thane Division Football Association – 1st Division Football (7th tier of Indian Football Pyramid.) for Envision F.A
